## The Body Identified.

The body of the man found dead on the Pan Handle tracks Monday night, turns out to be Edward Brooks, a resident of Gravel Hill, in Bellaire. The discovery is a sad shock to his many friends in that city. The body was sent to his home last evening and the funeral will occur to-day. Mr. Brooks was employed at one of the Benwood mills and is supposed to have been on an errand to the Top mill when the unfortunate accident occurred.

Mr. Brooks is survived by a wife and three children, and they have the sympathy of the entire community.

## CARROLL CLUB PICNIC

At Wheeling Park Yesterday Attracted a Very Large Attendance.

Though the picnic given by the Carroll Club at Wheeling Park yesterday was intended to be purely an informal affair, a surprisingly large crowd was in attendance. The mere fact that the outing was given by this popular club was a sufficient guarantee of its excellence. The full Opera House orchestra discoursed music during the afternoon. In the evening the Casino was thrown open and dancing indulged in to the strains of the Opera House orchestra until an early hour this morning.

The first prize in the bowling contest, a box of fine cigars, donated by Wells & Campbell, was won by George McDonnell. His score was 213. The second prize, also a box of cigars, was won by Oscar Porter, his score being 199. The cigars were donated by James H. McKee. The third prize, a box of stogies, donated by John S. Miller, was won by Gus Weltzell, on his score of 187.

## WAS A DAY OF ACCIDENTS AND DEATH.

A McMechen Man Who Disappeared Last Monday, Found Dead on a Hillside Wednesday.

## A MOUNDSVILLE BOY DROWNED

While Bathing in the River—An Accident in the East End That May Prove Fatal.

Last Monday morning, at McMechen, James Hixenbaugh, a teamster, aged about 35 years, disappeared. Since then there has been no systematic effort to learn of the missing man's whereabouts, and it was supposed that he would return in a few days.

Yesterday afternoon, however, the body of a dead man was found on the hill back of McMechen, and it was soon identified as that of the missing man, Hixenbaugh. There are no marks of violence, and it is not believed he was murdered, but the cause of the death is unknown and likely to remain a mystery.

Hixenbaugh was married, but leaves no children.

Last night, at Benwood, Squire Lacey held an investigation, at which it was brought out that Hixenbaugh had left his home Monday in search of pasture for his horses, and it is supposed that upon climbing the hill he was so exhausted that he sat down to rest, and died. In the testimony it was brought out that the deceased was subject to prostrations from heart failure. The jury's verdict was, "death from cause unknown to the jury."

## SERIOUS RUNAWAY ACCIDENT.

Peter Erb, the Well Known Liveryman, Sustains Severe Injuries.

Yesterday morning about 10:30 o'clock, Peter Erb, the well known liveryman, was thrown from a buggy on Main street, between Twentieth and Twenty-third streets, and sustained severe cuts and bruises on the head.

It seems that the horse Mr. Erb was driving became frightened at a passing train at the Baltimore & Ohio depot and running down Main street, collided with a dray, throwing him to the ground. He had the horse well under control, and had it not been for the passing dray the accident would not have happened.

Mr. Erb was carried into Schnelle's plumbing shop, where Dr. W. S. Fulton was summoned. He was afterwards removed to his home at No. 123 Sixteenth street. He is badly cut and bruised about the head, but it cannot be determined until to-day what the extent of his injuries will be.

The horse continued running and turning up Sixteenth street, he ran into Anderson's blacksmith shop, where he was caught.

## Moundsville Boy Drowned.

A twelve-year-old boy named Charlie Holbrook, was drowned in the Ohio river, at the mouth of Grave creek, Moundsville, yesterday morning. He was in bathing with a number of boy companions and got beyond his depth. The other boys were so badly frightened that they could give him no help. His mother is dead and he has been making his home with his sister, Mrs. Barber, in Moundsville. James Rankin and several others worked all afternoon to find the body, but at a late hour were unsuccessful.

## A Brakeman Injured.

Last evening about 8 o'clock, Edward Tiernan, a brakeman on the Wheeling Terminal, was knocked from the top of a caboose to the ground, sustaining a deep cut in the head. Mr. Tiernan was standing on the top of the caboose as the train was passing under the Baltimore & Ohio bridge at the tunnel and his head catching on the bridge he was precipitated to the ground, a considerable distance. Dr. Linsz was hastily summoned and the injured man was removed to the city hospital, where fourteen stitches were required to close the wound. Tiernan's home is at Toledo, Ohio.
